5. I have been advised of the following possible side effects: Dry or itchy throat, nasal drip, and increased coughing at the beginning. This is a natural part of the cleaning process of the respiratory system, during which the pollution, accumulated over time, and now loosened up by the salt, is expelled from even the deepest regions of the lungs. Such side effects should cease with the removal of pollution and pathogens. Skin irritation and dermal sensitivity may occur. In such cases, decrease the frequency of sessions.

7. The use of the rooms at Zen Den Yoga and Wellness Center has not been evaluated by the Food and Drug Administration or any other agency;
